Weight Control Program Planned

If you are an adult, 40 to 75 pounds over ideal weight, who is ready to learn to lose safely and maintain a desirable weight for the rest of your life—you are ready for Lifesteps.

Lifesteps is a comprehensive weight-management program, about 14 weeks long, that stresses the importance of diet, physical activity and behavior modification techniques for weight loss and maintenance. The Lifesteps program is being sponsored by Cooperative Extension in cooperation with the Dairy Council of Rochester Inc.

To learn more about Lifesteps, come to an orientation meeting at 3:15 p.m. today at the Charles G. May Center in Mt. Morris. The orientation meeting is free and open to everyone interested.

LIGHTING THE WAY—Seward Street in Dansville took on a special festive air on Christmas Eve. Luminaries—from a Spanish tradition, consisting of sand-weighted paper bags and lighted candles—provided a warm glow the length of Seward from Elizabeth Street to Highland Avenue Extension. The project was that of neighbors living along the street, promoted by Norman and Jeannette Freeman and Richard Jones. The display, the first of its type in the community, generated an unusual amount of sight-seeing traffic along the normally placid street. The scene above is of the upper end of the lighted roadway.

Arrest Village Youth in Burglary

A 17-year-old Dansville youth was charged with third-degree burglary and petit larceny following his arrest Thursday after an investigation by the Dansville Police Department. His identity was withheld pending possible youthful offender treatment.

Sgt. Kirk Walker said the arrest stems from a complaint filed Dec. 24 by Herman W. Kreiley of 38 Park Ave. who reported his house had been entered. Stolen were a video cassette recorder, \$100 in cash and a blank personal check.

The local investigation was aided by Rochester police who notified the local department that an attempt had been made to cash a personal check at a bank in that city.

Arraigned before Village Justice John J. Weidman, the youth was ordered held without bail in the Livingston County Jail. Walker said the investigation is continuing.

Question Box

Q. I retired earlier this year. I understand that I may have to pay taxes on half of my Social Security benefits. Will Social Security send me a statement of my benefits for the year without my contacting them? If so, when?

A. Yes. You will receive a statement of earnings sometime in January. It is Social Security Benefit Statement Form SSA-1099. It will show the total amount of your benefits for 1987 as well as any deductions for things like Medicare premiums.

Q. My wife and I both will be 65 next year. How soon should we apply for our Social Security benefits?

A. You should apply for retirement benefits about 2-3 months before you plan to retire. That way, your claim can be processed in time for your payments to start when you stop working. Even if you decide not to retire, you should file an application for Medicare 2 or 3 months before 65 to make sure you will have full Medicare protection starting at age 65.

Call FFA Alumni To Join New Unit

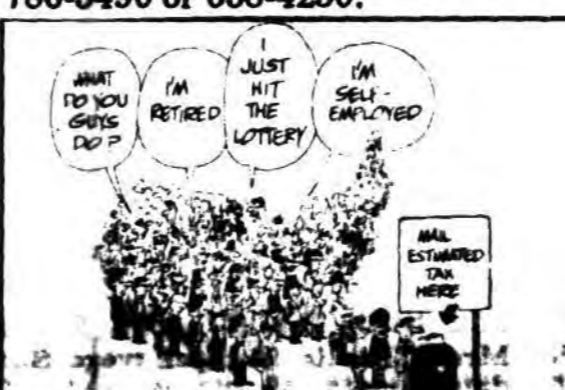

Seeing an opportunity to promote a greater knowledge of the agricultural industry and support education in agriculture, former members of the Future Farmers of America are launching a major drive this month in the Livingston, Steuben, Wyoming counties to form an FFA Alumni Association.

The aim is to provide a mechanism whereby former members can actively promote and support the FFA organization, activities, and vocational agriculture.

The area drive is part of a state and national effort currently under way to unite former members into the FFA Alumni Association.

Since the FFA Alumni Association is a newly formed organization, those who join now will be the charter members of the Charles G. May FFA Alumni Association, said Russ Genco, acting chairman of the local organizational effort. "And we would like to have as many charter members as possible."

"We seek the help of every potential member in the area to organize and charter the local FFA Alumni Association," said Ralph Millen, advisor. All former active, collegiate, or honorary FFA and NFA members, present and former professional vocational
